

Datadog to Present at Upcoming Investor Conferences

August 2, 2022

NEW YORK, Aug. 2, 2022 /PRNewswire/ -- Datadog, Inc. (NASDAQ:DDOG), the monitoring and security platform for cloud applications, today announced that management will present at the following investor conferences.

- The Oppenheimer Technology, Internet and Communications Conference. The presentation is scheduled for Tuesday, August 9, 2022 at 10:45 a.m., Eastern Time.
- The Citi 2022 Global Technology Conference. The presentation is scheduled for Wednesday, September 7, 2022 at 9:00 a.m., Eastern Time.
- The Goldman Sachs Communacopia and Technology Conference. The presentation is scheduled for Wednesday, September 14, 2022 at 6:45 p.m., Eastern Time.

The presentations will be webcast live, and replays will be available for a limited time under the "Events and Presentations" section of the Company's investor relations website at <https://investors.datadoghq.com/>.

About Datadog

Datadog is the monitoring and security platform for cloud applications. Our SaaS platform integrates and automates infrastructure monitoring, application performance monitoring and log management to provide unified, real-time observability of our customers' entire technology stack. Datadog is used by organizations of all sizes and across a wide range of industries to enable digital transformation and cloud migration, drive collaboration among development, operations, security and business teams, accelerate time to market for applications, reduce time to problem resolution, secure applications and infrastructure, understand user behavior and track key business metrics.
