

Datadog to Present at Upcoming Investor Conferences

September 3, 2021

NEW YORK, Sept. 3, 2021 /PRNewswire/ -- Datadog, Inc. (NASDAQ:DDOG), the monitoring and security platform for cloud applications, today announced that management will present at the following investor conferences.

- The Citi Global Technology Virtual Conference. The presentation is scheduled for Monday, September 13, 2021 at 1:50 p.m., Eastern Time.
- The Jefferies Virtual Software Conference. The presentation is scheduled for Wednesday, September 15, 2021 at 11:00 a.m., Eastern Time.

The presentations will be webcast live, and replays will be available for a limited time under the "Events and Presentations" section of the Company's investor relations website at <https://investors.datadoghq.com/>.

About Datadog

Datadog is the monitoring and security platform for cloud applications. Our SaaS platform integrates and automates infrastructure monitoring, application performance monitoring and log management to provide unified, real-time observability of our customers' entire technology stack. Datadog is used by organizations of all sizes and across a wide range of industries to enable digital transformation and cloud migration, drive collaboration among development, operations, security and business teams, accelerate time to market for applications, reduce time to problem resolution, secure applications and infrastructure, understand user behavior and track key business metrics.
